2026 ANNUAL REPORT

17.3 million students in 2025
110 nations

From the Director

“Let my heart be broken with the things that break the heart of God.”

Bob Pierce, Samaritan's Purse founder

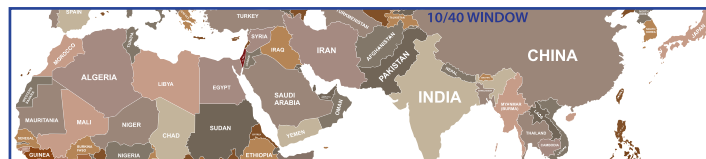

Dear friends,

Thank you for your faithful prayers, generous gifts, and partnership with us to reach countless children for Jesus!

I encourage you to ask God for His heart for a lost world. I am often selfish, and I need His heart and perspective. We know from Matthew 9:36 that the heart of Jesus was *“moved with compassion”* for lost people. *“The harvest is plentiful, but the laborers are few.”* (Matthew 9:37)

I want to call your attention to a spiritually dark region of the world called the 10/40 Window, which includes North Africa, the Middle East, and Asia. Those regions have long been held captive by Satan, bound for centuries to Islam, Hinduism, Buddhism, and other false teachings. It's the “dark half of the world,” where 5.44 billion people live, and there are over 5,900 Unreached People Groups (UPG) representing 3.45 billion people.

UPG's are ethnic groups bound together by language, culture, and religions; 2% or less are evangelical Christians. UPG's know little or nothing about our wonderful Lord and Savior, Jesus Christ. Therefore, we must

10/40 Window FOCUS

mobilize believers to go into those UPG communities and penetrate the darkness with the Gospel.

Out of our 2026 budget of \$9.5 million, we plan to print evangelism & discipleship Bible studies for nearly 12 million children who live in 10/40 Window countries. With God's enabling, we plan to print for 16.8 million students. This is a huge step of faith for us, but we know it pleases God when we trust Him. (*Heb. 11:6*).

Your prayers and gifts will help make this possible for millions of children to come to know the Lord Jesus and grow in their faith!

We deeply appreciate you! God bless you,

John Mark Eager

Testimony

Thank you for giving me the Mailbox Club book. By reading the book, I have learned and understood many things. From this book, I have learned a lot about Jesus. I have memorized many Bible verses from this book. I am a disciple of Jesus, and I love Jesus very much. Thank you again for giving me *The Mailbox Club* book. — **Anik, Bangladesh**

We are deeply concerned for our youth in America! There's a major assault on our children in public schools, where they are being indoctrinated with false teachings about transgender ideologies, gender changes, critical race theory, etc. Children in America need the truth of God's Word and a personal relationship with Jesus Christ.

We would love to help you reach children in your neighborhood or church. Sign up children for our free Bible lessons by visiting www.tmc4kids.org. You will also find information there to help your church with follow-up to VBS, Fall festivals, and any kind of outreach!

We have focused heavily on reaching kids for Christ in America. Praise God, we have seen the work TRIPLE in just 2 years. Again, please review this website to see ways we can partner with you and your church!

Free Bible lessons for ages 4 & up!

Venture Clubs

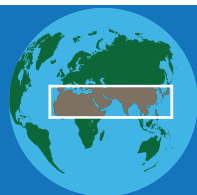

As you reach children and youth through various kinds of outreach, you will need weekly Bible studies that are Christ-centered and age-appropriate. We are providing churches, through Venture Clubs, with Bible lessons to

equip children for spiritual battles they will face in life. Children today must be taught not just WHAT to believe, but WHY! Venture Clubs lessons are apologetic in nature, challenging children and youth to embrace the truth of God's Word and be prepared to defend their faith.

2026 Global Opportunities

Ukraine – 10,000 children • Russia – 120,000 children

Funding goal = \$221,835

Please **PRAY** for a quick end to the horrific war between Russia and Ukraine! Over a million people have died as a result of the senseless war. Pray for peace, God's PEACE, to prevail and for a great time of healing and revival.

Russia has a population of 144 million people and the largest landmass of any nation. It spans 11 time zones! Ukraine has a population of around 37 million people. It is considered the "breadbasket" of Europe, and is rich in natural resources.

We have current plans to print our discipleship materials for 120,000 children in Russia, and 10,000 children in Ukraine. What greater way to defeat communism and break the cycle of endless wars than to help the next generation come to faith in Christ and love their neighbors. Please **PRAY** for peace!

Iran – 10,000 children • Funding goal = \$25,000

Iran has a population of over 92 million people with 85.7% who are Muslims. It's the 6th largest Muslim country in the world by population. Only 1.2% are followers of Christ, and yet the Church in Iran is reportedly growing very fast, despite persecution and the murderous regime run by the Ayatollah Khamenei, who was recently assassinated.

Please **PRAY** for God's blessing and favor as we want to reach 10,000 children for Jesus this year in Iran. This will require His blessing to print and ship these Christ-centered materials, and protection to train children's workers. The situation is very unstable and unpredictable with the war. There are millions of children and families who need the Lord Jesus right now. We covet your prayers!

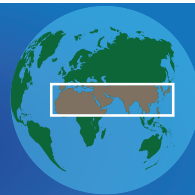

Cuba – 50,000 children • Funding goal = \$79,895

Cuba is in full CRISIS mode. Viruses are sweeping the island, and the oil embargo imposed by the US has Cuba in a choke-hold. Pray for the current communist regime to collapse quickly and for freedom to come to the people of Cuba who have suffered for too long. **PRAY** for the Gospel message to prevail, and for us as we plan to print for 50,000 children in Cuba this year. Pray they and their families would all come to faith in Jesus!

Ministry Profiles

Hope for India – 5.2 million children! • **Funding Goal: \$1,465,000**

With over 1.45 billion people, India is now the largest country in the world, including the most Unreached People Groups. India is the largest Hindu nation, and has the third largest Muslim population.

We have HUGE demands for *TMC* Bible lessons! This year, with God's enabling, we are supplying our Christ-centered lessons and training to more than 490,000 "host families" who are connected to more than 123,711 local churches. The host families are trained to evangelize and disciple 5.2 million children right in their homes! After children come to know the Lord Jesus, we have many other lessons to teach them about the victorious Christian life.

We thank God for a wonderful couple who recently pledged a \$400,000 matching gift, of which we still need to raise \$300,000! **Please PRAY about this.**

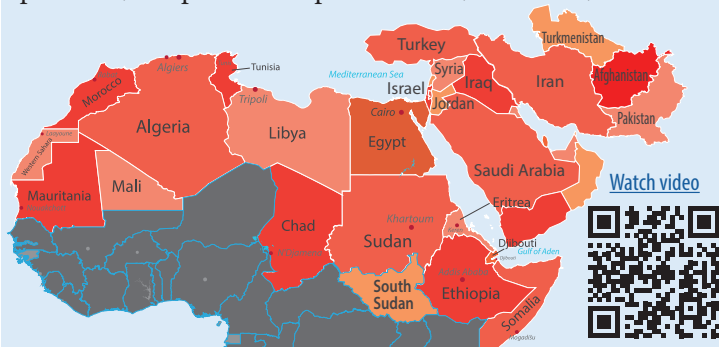

Please PRAY for the salvation and discipleship of millions of children and youth in India!

Middle East/North Africa – 3.7 million children! • **Funding Goal: \$1,952,515**

God has opened HUGE doors for us to serve above and below ground churches in 15 countries across North Africa and the Middle East, including the "golden opportunity" to reach public school children in South Sudan! Please pray for God's blessing, provision, and protection upon our team, volunteers, and church partners who put their lives on the line for the Gospel every day.

Radical Islam preys on vulnerable children – kidnapping, abusing, and manipulating them into lives of violence and terror. Countless boys and girls are robbed of their innocence and forced down a path they never chose. But what if we could reach them first? Through partnerships with churches and ministries across MENA, we are working together to invest in the next generation—teaching children to know God, to find forgiveness in Jesus, and to walk boldly in faith. Our passion is to see millions of youth become "radical" for Jesus!

Sub-Saharan Africa – 5.6 million children! • **Funding Goal: \$2,203,255**

This year we have tremendous opportunities to offer *The Mailbox Club* Bible lessons to 5+ million boys and girls in 30 nations in Sub-Sahara Africa through many different ministries and local churches! We trust the Lord that these children will receive a clear Gospel presentation, and many will come to faith in Christ. The SSA team has BIG VISION to grow to 6 million students enrolled in *TMC* by the year 2027.

Our team uses real-time data collection, runs a longitudinal discipleship program lasting 6-8 years, and recruits *TMC* students to become Teen Club Leaders when they are spiritually ready and trained. Last year, there were 5.7 million students enrolled, with 25,080 participating churches. Out of 156,251 Club Leaders teaching children, there were approximately 81,533 Teen Club Leaders! Imagine the world turned upside-down by young people, who are on fire for Jesus, and teaching young children Bible truths.

From the Mouth of Babes

My name is Catherine. From *The Mailbox Club* book, I have learned that Jesus is almighty and that He created me. Jesus is the promised Savior, and He rose again, conquering death. Because He loves me, He died on the cross for me. I am a child of God. He does not want me to walk in the path of Satan; instead, He wants us to receive a new life in

Christ and become new people. Through this book, I have learned many things about God's greatest gift to us. I have also learned that Satan is our enemy. That is why I love *The Mailbox Club* book.

— Catherine, Bangladesh

This girl asked God to be her Savior and was happy that she had finished the book and took the certificate.

— Lebanon

When I began to attend TMC classes, I realized that I was lost in my many sins and that I deserved eternal punishment. Then, I decided to give my life to Jesus. He gave me a new heart full of love. I'm no longer selfish, instead, I love others and care for their well-being. I'm also passionate about sharing the good news of Jesus Christ with other children. I have already brought to Jesus many children from our neighborhood. I thank God for sending his servants to reach us with TMC lessons.

— Vanessa, Burundi

In *The Mailbox Club* lessons I learned that Christ is in heaven, but He lives in us through His Spirit, and God's greatest gift to us is His Son, Jesus Christ. He lives in my heart, He is God, He is the one who supplies all my needs, He is my beloved, He is my wisdom, He is my peace, He is my joy, He is my patience, Christ is my strength.

— Paula, 8 years old, Venezuela

I have learned that God loves me, that God is every where, God knows all things, that God forgives, God never changes. God is El Shaddai. This means that God can do all things. I want to thank my teachers and also TMC for providing us with the books.

— Sofanit, Eritrea

I really enjoyed learning in *The Mailbox Club* Bible lessons about obedience and the need to receive Christ into my heart. I learned to stop talking back to my parents and to be obedient because now that I have Christ in my life, I know what displeases Him: sin. Thank you for helping me with these studies.

— Lisbeth, 11 years old, Nicaragua

Comes Beautiful Praise

I really enjoy the lessons given in Sunday school. My grandparents bring me, and I learn very quickly. I really like the *Explorers Club* books; we're already studying the second one. I've learned so much about God and Jesus there. I realized that God never leaves me, even though my parents don't live with me. I can turn to

God. A few days ago, I gave my heart to the Lord. Now I am His child, and I know I have eternal life because my teacher explained to me the importance of being a child of God and that I will never be alone because God is always with me. I am grateful to everyone who makes it possible for us to have these classes; they have helped me to learn more about God.

— Yelina, 8 years old, Mexico

Hassan, a pupil of Class seven, in Longido Primary School, grew up in a Muslim family. While at school, he met a teacher who was teaching the Word of God using *The Mailbox Club* book. He attended the class regularly, and during the lessons, he was touched by the message and personally decided to give his life to Jesus Christ. Hassan had been a very troublesome child at home, but after receiving Jesus, his life was completely transformed. His changed behaviour deeply touched his sister and mother. Later, both decided to give their lives to Jesus after witnessing the transformation in Hassan's life through Christ.

— Hassan

I am in prison because I use to fight with other children then one day I cut one of them with a knife and he died. I was taken to police. I no longer go to school. I am just in prison. After I began reading this book of *Explorers* 1 now realized it was Satan who led me to do that. I made up my mind not to fight anymore and am saved. I felt rejected but now am loved. Am a forgiven child of God.

— Mary, 14 years old

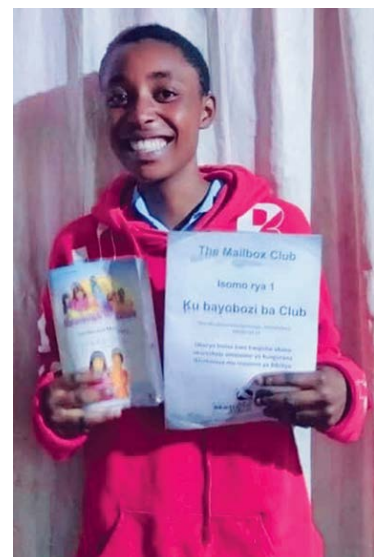

My name is Jean Claude. I am 15 years old. First of all I would like to thank *Mailbox Club* for giving us the books that teach us about Christ. All these courses have transformed me up a lot because I was a child who did many sins and had bad habits like stealing and many others, but now I have been inspired by this Verse that says: "The blood of Jesus Christ the Son of God cleanses us from all sins 1 John 1:7." Now I believe

in the Word of God and I have accepted Jesus Christ in my life! Now I have really learned a lot because *Mailbox Club* changed my life through its materials. Thank you.

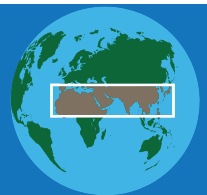

— Jean Claude, Rwanda

I am a club Leader in *Mailbox Club* in Rubavu. *Mailbox Club* changed my life when I was taught the teachings they brought to us when I was 10 years old. After understanding everything about Jesus Christ, I decided to accept Jesus as my Lord and Savior. We sinned and God forgives us, He sent us His Son to die for our sins, now I have accepted Him and have eternal life! The knowledge I have now I want to share with others. That is why I have 20 children I teach so

that they can come to Christ!
